

# Leadership HANOVER

**Leadership Hanover**, presented by the Hanover Chamber Foundation, is an interactive learning experience which guides participants through philosophy and skill development.

This 9-month academy includes sessions on creating and forwarding a vision, effective communication and delegation, team building, personal branding and business networking, local and state civic involvement, inclusive leadership, self-awareness, time management and engaging within your community and business to affect change and growth.

## CLASS OF 2024

September 2023 – May 2024  
Monthly Sessions & Activities  
throughout Hanover County

LH is intended for those emerging into or in a new leadership role, in a transitional phase of their careers, and lifelong learners committed to their evolving success.
